## Happy 100<sup>th</sup> Birthday Hugh Patterson!

Recently, Corporal (ret'd) Hugh Patterson celebrated his 100<sup>th</sup> birthday!

Hugh, a veteran of the 2<sup>nd</sup> Division Signals served as a Despatch Rider during the Second World War, landing on Juno Beach on D-Day +2.

Family, friends and members of 31 and 32 Signal Regiments, as well as the Vintage Signals Team, gathered at the Caledonia Legion for an afternoon of comradeship and celebration of a remarkable Veteran and his remarkable century of life!

HCol Lloyd and HCol Regan presented Cpl Patterson with a copy of the Regimental history, and showed him where his own story was documented in the Regimental history.

**If you have a story and photos to share with the Regimental Family, please contact HCol Lloyd so we can include it in the next transmission of Despatches!**

## 709's MWO Devon Fisher Awarded Cadet Medal Of Merit

On 30 July, Cadet MWO Devon Fisher, DSM, 709 Toronto Signals, was awarded the Cadet Medal of Merit, established by the Order of St George in 2016, and approved by the CAF Director Cadets & Junior Canadian Rangers, to the "Top Staff Cadets" at each of Canada's Cadet Summer Training Centres who "distinguished themselves as being exemplary"

L-R – Unidentified Cadet, Cdt WO Jack Barker; Cdt MWO Devon Fisher; Col (ret'd) Nishika Jardine, Order of St. George representative.

## 709 Toronto Signals Returns To In-Person Training

709 Toronto Signals is returning to 'full' in-person training starting Wednesday, 14 September 2022, after more than two years of virtual training.

Whilst the end of the 2022 training year saw some limited in-person training, the level of limitations and restrictions brought significant challenges to Canada's Cadet programme, including 709, and virtually everyone else in our country.

We are hitting the ground running though, with the first Field Training Exercise being scheduled for 30 Sep – 2 Oct 2022 at Camp Plast, located just outside of CFB Trenton.

Ex Will You Survive will introduce Cadet Recruits to wilderness training and field crafts, building a BIV site, tent camping, and of course, who could forget eating rations! YUM!!

This will also be a familiarization for returning Cadets as we have not been able to be in the field since the start of the Covid-19 stand down.

With this return to 'normal' in-person training, the Corps looks forward to returning to training opportunities that extend beyond the field, especially those with 32 Signal Regiment in the upcoming training year.
