2021-2022 FAMILY STRATEGIC PLANNING PROCESS REVIEW

- Strat Plan Process in effect with timings for implementation.
- Must start process for follow-on years
- 5-year rolling plan with an annual fin plan to concentrate resources, funds, and energies behind.
- Lots of work befalls the Senate (point of concern). May be able to leverage BAC and BoD for outputs, staffing, and deliverables in areas that pertain to their respective committees.

NETHERLANDS 2022: FORTHCOMING DECISION / DIRECTION

- 31 x positions still earmarked to go. Any increase will require fund-raising.
- There is a credit: \$1,245.00 x 31 per person (hotel, meals, and incidentals). Thus, there is \$93K recovered and \$77K in these credits (½ of \$77K is reserved for specific members who elected to pay their own way (first right of refusal credit).
- Credit is *name agnostic*: can be used for another soldier (must pay the DELTA)
- 1st Time Restraint: \$500.00 per person down-payment due in September 2021 (Merit will provide impact on recovery or processes to recovery, etc.).
- Financial Considerations: pricing expected / forecasted to remain unchanged (Forecast for flights is roughly \$1,250.00 per person for total of \$5,000.00 (CAN) per individual.
- Planning Team: 4 x main Force Employers (FE) engaged ... Comd CFIOG, D Sigs, Strat A6, and 7 CG. BA contacted for interest / representation:
 - **RCCS**: Director Signals confirmed Major Drover (Reserve) at CFSCE
 - **7 CG**: 77 Line regiment has 2 x people interested
 - **CFIOG**: Broad survey by Commander, but no firm answer received (yet)
 - **RCAF**: majority not feeling any interest / sense of belonging to this tour / no connection).
- Team Lead: Louis Lemaire (outgoing CFSCE, OC 1 Sqn | incoming CFJSR R Ops O) was team lead for 2020 plan and is interested in doing so again. Looking for an SSM.

ACTION ITEMS:

- **Senate:**
Continue planning process (numbers and itinerary). Decision / Plan Back-Brief is required for September meeting (vote to proceed).

- **Branch Advisor:**

Continue to liaise with 4 x FE to generate a planning team (Reg F & Res F composition).

- **Colonel Commandant & Foundation President:**

Work with Foundation to flesh out and stand-up a Financial Management / Fundraising Team including fund-raising schedule for new members whilst protecting previous system.

- **Senate Decision:**

Pre-Tour (2020) plan CANCELLED for the 2022 plan.

- **Senate Decision:**

No SoTY / MoTY sponsorship for 2022. However, if a unit has a SoTY / MoTY for 2021 or 2022, they are encouraged to consider sponsoring them for the tour.

- **Colonel Commandant & Branch Leader:**

1 x message for interest / support via communique (from the BL). Col Cmdt will resend his draft message and work with BL's staff to prepare for release.

MUSEUM HR FINAL REPORT

- IAW Final Report: Military C&E Museum HR Review Final Report V1.1 (dated 17 Dec 2020)
- All recommendations tabled by Senate Chair and supported by the Senate.
- DGIMO (Cyber Force billet) carved out and leveraged to flesh out a Class B Major for 3-years (*OC Branch Heritage and Tradition*) to place a military command presence in the Museum who acts on behalf of CO Museum (CFSCE Commandant) and POC to retired / serving community.
- Military position (staff side) affords museum staff with support and direction over finances, planning, staffing, HR, SLA, etc.
- OC position may slide into Branch Adjutant billet.
- Civilian (Museum Director / Executive Director / Curator) likely to remain as requirement for museum management function and conservation / display expertise.

MUSEUM ANNIVERSARY EVENTS UPDATE (INFORMATION ONLY)

- 17 May 21: Planned 25th Anniversary of the Museum (and 60th anniversary of the concept of the Branch museum from its start in CFSCE lines). Museum BoD meeting recommends that this be pushed off until the Autumn DTG.
- *Steam-a-thon* concept scaled back in scope. Same volunteers / funding sources were being *pinged* again, and no PF or military uniforms would be hard-tasked by the C-of-C to support. Some local dignitaries contacted (Mayoral level, etc.).
- Suggestions to leverage Branch Leadership (Col Cmdt, BL, and BC) to act as *ribbon-cutters* and orators for speeches (covered by local media). Link with K-PASS Trolley Tours, etc.

FOUNDATION REPORT: REVENUE ACTION ITEMS AND FUNDRAISING UPDATE

- See SEPCOR (separate correspondence) e-mail sent by the Foundation President, dated 2 Mar 21
- **Part I** – 2021 Budget: 1 March to 28 February is the FY plan IAW e-mail (referenced above).
- **Part II** – 2021-2022: No fundraising, P070 is down 8-10% per year, donation letters shall generate minimal impact resulting in increasing 107K in assets (which is more than what the museum and Branch would like when combined).
- **Part III** – Foundation Reps interested in (1) Fun Run (Red Shirt) | (2) C&E Golf Tournament
- **Part IV** – Table a Motion: Permanent Standing Committee / WG called the *Revenue Coordination WG* (merely informational and does not receive tasks). It reports to Senate so everyone is aware what is happening on the fund-raising front. See reference materials presented to Senate for clarity.
- \$0-1K (Branch request this year) | \$100K (Base) | \$35K (RCEME) means that we will not necessarily dip into the endowment fund.

ACTION ITEMS:

- **Senate:**
Confirm how shall we spend \$107,000.00 (CAN) and what is the Senate's approach to running a deficit in the future? The Senate must provide this D&G to the Foundation.
- **Senate Decision:**
Stating up of sub-committee APPROVED.

Aside from education, lectures, professional development, and drill / fitness routines, the proposed squadron will attempt to create strong linkages with the Branch Office so as to garner staff effort and support for Branch initiatives (Golf Events, Curling Bonspiels, C&E Week prep & setup, and Mess Dinners, etc.).
- **Museum Support:** En route via *OC Heritage & Tradition* (Class B Temp Major) and *Home Station Staff Officer* (Class B Permanent Warrant – Captain).
