FOUNDATION REPORT

President C&E Foundation

C&E Museum Foundation Presentation to C&E Week

LCol (ret'd) E A Scott McLean, OMM

Things I'd like to talk about

- ▶ Who Are we?
- ▶ What do we do?
- ▶ How do we do it?
- ▶ Parting thoughts

Who Are we?

- ▶ Volunteers, both retired and serving
- ▶ General members (anyone can be a Foundation member)
- ▶ Board of Directors (11 members voted onto the Board - any member can stand)
- ▶ Independent of, but responsive to, the C&E Branch/Senate (CRA is our overlord)
- ▶ Desperately seeking new blood ;-)

What do we do?

- ▶ Manage the legacy funds left over from the Museum Project as well as endowments
- ▶ Provide Funding to the Museum (~ \$115K per year)
- ▶ Provide Funding to the Branch Office including for bursaries and distress funds etc
- ▶ Fund special Events (Veteran's Week and special outreach activities etc)
- ▶ Leading a Branch comms plan to engage membership

How do we do it?

- ▶ Currently ~\$1.5M invested in blue chip investment vehicles
- ▶ We don't touch the principal, but use the accrued interest to fund activities
- ▶ Ingest/manage P070 pay allotments
- ▶ Manage retiree donations and endowments
- ▶ Issue tax receipts for donations and P070

Parting thoughts

- ▶ The C&E Museum is our history, and our history deserves to be preserved and acknowledged
- ▶ The Foundation is currently in good shape, but...
- ▶ P070 Allotments are dropping off, at about the rate of retirement
- ▶ NCOs and retired members make up the majority of donations...
- ▶ P070 allotments are one of the best and easiest ways serving members can help
 - ▶ 10 dollars a month makes all the difference
- ▶ Officer Corps I'm looking at you...
- ▶ You can make donations via the pay office (P070) or at:
 - ▶ Canada Helps [Donate Now - The Military Communications and Electronics Museum Foundation \(canadahelps.org\)](https://canadahelps.org)
